FOR THE EASTERN DISTRICT OF MICHIGAN
SOUTHERN DIVISION**

JAMIEL VAUGHN,

Plaintiff,

v.

Case No. 15-10907

OFFICER STEVEN TOWNSEND,

Defendant.

ORDER CANCELLING SCHEDULING CONFERENCE

The parties have filed a 26(f) discovery plan, stating:

The parties have not commenced discovery by any agreement. We recommend that the Court enter a general discovery order allowing Plaintiff to obtain discovery regarding Officer Townsend's traffic stop and Garrity Hearing regarding the incident. This is a standard case, and thus discovery should be completed by September 17, 2015.

The court accepts the parties' suggestion and will enter a scheduling order accordingly. The parties also offered that ". . . they are interested in promptly resolving this matter. We request that facilitation be conducted to resolve this case." The court will schedule a telephone conference after about 45 days of discovery to further discuss facilitation.

IT IS ORDERED that the April 16, 2015 scheduling conference is CANCELLED.
